

# Tuition Payment Agreement

Dream. Connect. Achieve.

## The Plan

To help you meet your educational expenses, KC Distance Learning, Inc., doing business as Keystone National High School (Keystone) is pleased to offer a convenient plan that provides you with an option for budgeting tuition. It is not a loan program: there are no interest payments or finance charges assessed and there are no credit checks. Keystone offers a choice of multiple payment options so you can select the terms that meets your needs<sup>1</sup>.

## How the Plan Works

Using the payment plan is simple and straightforward. You may register online at [www.keystonehighschool.com](http://www.keystonehighschool.com) or complete and sign the plan agreement on the other side of this flyer. Additional information regarding registration is provided below.

### Pay Online, It's Easy and Convenient

Enrolling online is simple, secure, and easy. Connect to [www.keystonehighschool.com](http://www.keystonehighschool.com) and select "Enroll Now" to begin choosing your courses. When completed, select the Keystone Tuition Payment Plan as your payment option. Please remember, when enrolling through the Online Enrollment System, the total course tuition plus shipping equals the total amount due Keystone. We can quickly process your initial payment so students can begin their courses right away.

### Paper Enrollment Process

If you prefer, you can complete the Tuition Payment Plan Agreement on the reverse side. Please return the form along with the Keystone Enrollment Application and required first payment (20% of tuition + 100% of shipping) to Keystone National High School at the address below. Enter the information to determine the amount due Keystone at the time of enrollment. Indicate the number of remaining monthly payments that you want to make. Your monthly payment is determined by dividing your remaining tuition (Total Tuition minus 20%) by the remaining number of payments.

## Payment Options

**A. Automatic Bank Payment (ACH)** – ACH payments are those payments you have authorized Keystone to process directly with your U.S. financial institution. It is simply a bank-to-bank transfer of funds that you have pre-approved for your expenses at Keystone. Payments may be made from either your checking or savings account.<sup>2</sup> Payments are processed on the 5th or the 20th of each month and will continue until the balance is paid in full.

**B. Credit Card Option** – You can choose to have Keystone charge your monthly payment directly to your designated credit card. Payments are processed on the 5th or the 20th of each month and will continue until the balance is paid in full.

\*PLEASE NOTE: When using the paper enrollment process, your first payment can be made by check or credit card. The check must be included with this application in order to process the payments. Checks should be made payable to Keystone National High School. To take advantage of the credit card payment option, you must enter the first payment amount on the Keystone Enrollment Application along with your credit card number, expiration date, CSV #, and signature authorizing Keystone to charge your credit card.

<sup>1</sup> Available plan options vary based on enrollment conditions.

<sup>2</sup> Account must be held at a U.S. based financial institution.

### – PAYMENT AND RETURNED PAYMENT INFORMATION –

Payments will be processed on the 5th or 20th of the month. Should a payment be returned, a reattempt (maximum of 3 attempts) will be made on the next scheduled date (20th or 5th) and a \$25.00 Returned Payment Fee will be automatically deducted from the account provided on the agreement for each payment attempt that is returned. In the event of a returned monthly payment, until such time as the account is made current, Keystone will suspend access to all of the enrolled student's courses and any evaluation services. No official transcript, driver's education certificates, or diplomas will be issued until the final payment is received and paid in full.

A Keystone Returned Payment Fee will be assessed for each payment attempt that is returned. If any Keystone fees are returned, they will be reattempted. Keystone fees are subject to change in future academic years.
- If the Automatic Bank payment or Credit Card payment date falls on a weekend or a banking holiday observed by the Federal Reserve, the payment will be attempted on the next business day.
