

2007 SAT Scores

National vs. Keystone Students

Keystone SAT scores are consistently higher than the national average. Following are average SAT scores during the 2006–2007 school year:

2007 Average SAT Scores			
SAT Subject	National Average*	Keystone Average [†] (College Bound Seniors)	Keystone Average [‡] (Grades 9–12)
Critical Reading	502	551	544
Mathematics	515	524	520
Writing	494	542	537

*Reported by the CollegeBoard at www.collegeboard.com.

[†]Based on test results from 95 Keystone 12th graders who took the SAT during the 2006–2007 school year.

[‡]Based on test results from 295 Keystones students in grades 9–12 who took the SAT during the 2006–2007 school year.
